Use and Improve your English in the comfort of YOUR home or office, 'face to face' with Atlantic SEAL teachers

Our **Online English Programme** is tailor made for **YOU**, whether for your professional, academic or personal life - or all of these!

There are 3 main programmes you can choose from:

## 1 THE WARM UP

For Students who have not yet visited us but plan to and wish to 'warm up' their English before arrival. This way they can really prepare for the experience, gain confidence & 'meet' our teachers. By feeling relaxed and familiar with the language, they will quickly start to make real improvement the moment they arrive.

## 2 THE FOLLOW UP

For students who have already been with us. You will benefit from a very successful 'follow up' when you are back home. We have a record of your level, needs, strengths and weaknesses and what you have already covered in our lessons. So we can start immediately to take you to the next level with no delay or chance for you to forget what you worked so hard to learn.

## 3 THE START UP

If you have not studied at Atlantic SEAL and cannot plan a visit in the near future, don't worry, it's always a good time to start! We offer a full assessment of your current English skills.
